Job description:

Insulator Helper (75110)

Employer:	**InsulSolutions Ltd.**
Location:	**208-2601 Matheson Blvd E,Mississauga, ON L4W 5A8**
Salary:	**25.00 hourly / 30 to 35 hours per Week**
Job Type:	**Permanent, Full Time**
Start Date:	**As soon as possible**
Language:	**English**
Minimum Education:	**No degree, certificate or diploma**
Position Available:	**1**
NOC Group:	**75110— Construction trades helpers and labourers**

Job Details:

In the capacity of an insulator helper, you will assist in the installation and repair of insulation materials in various settings, including buildings, pipes, and industrial equipment. Your duties will encompass preparing surfaces, applying insulation materials, cutting and fitting insulation, and ensuring its secure placement. You will utilize both hand and power tools, adhere to safety procedures, and support the lead insulator in various tasks to ensure the smooth application of insulation. Physical endurance and attention to detail will be crucial aspects of your responsibilities.

Responsibilities:

- Loading, unloading, and transporting construction materials.
- Mixing, pouring, and spreading materials such as concrete and asphalt.
- Assisting in aligning pipes during pipeline construction.
- Cleaning and piling salvaged materials.
- Performing routine maintenance work.
- Removing rubble and other debris at construction sites.
- Tending or feeding machines or equipment used in construction.

Requirements:

- **No degree, certificate or diploma**
- **Experience: 1 year to less than 7 months**

To apply, please submit your resume ranasolution236@gmail.com **We thank all applicants for their interest in this position, however, only those selected for an interview will be contacted.**
