Job description:

Who we are

At Select Landscaping and Construction, we pride ourselves on building trust through quality. Select has been serving the unique Greater Toronto Area properties since 2009. We serve our clients with respect, care, and the individualized attention that each property deserves. We provide high-grade quality and make sure our customers are 100% satisfied every time.

Our Services

Gardening and Landscaping Services - Storm damage clean up, tree and shrub removal, planting, sodding, mulching, pruning, weeding, cultivating, landscape design, landscape lighting, and irrigation.

Construction Services - Concrete and stonework, decks, fences, sheds, and waterproofing.

Snow removal services are also available.

Brief job description

This role will involve overseeing all on-site aspects of construction, landscape design, gardening services, and facility maintenance, including the installation of softscape and hardscape surfaces. We are seeking an individual who can help our business grow by focusing on customer engagement, design, tendering, project execution, and building a strong team. The ideal candidate should prioritize reliability, be eager to take on more responsibilities, be keen on supervisory and training skills, and cultivate a high-performing team. Our group values growth, quality work, and a strong professional image.
