Job description:

12428971 Canada Inc., doing business name as C&Y PMP CONSTRUCTION, established in 2020 in Summerside, PEI, specializes in residential development. We offer comprehensive construction services from land preparation to finishing. Our commitment to quality positions us as a growing player in PEI's construction sector. We manages diverse residential projects, overseeing all stages of development. Our services span from surveying and demolition to interior finishing and landscaping. We're currently engaged in multiple projects in Montague, showcasing our versatility. Our recent focus on building an in-house workforce demonstrates our commitment to timely project completion and maintaining high standards. We are looking for a dedicated Construction Worker. This position is taking charge of supporting construction projects through various tasks including material handling, site preparation, assisting skilled workers, operating equipment, and maintaining safety standards on-site.

Essential Duties and Responsibilities

- Transport and arrange building supplies at construction areas
- Set up and take down temporary structures like scaffolds and safety barriers
- Combine and apply various construction materials as needed; maintain and operate construction equipment such as cement mixers
- Support specialized tradespeople with their tasks; guide heavy machinery operators and help attach specialized equipment
- Help with pipeline installation and alignment; assist with excavation and rock removal activities
- Prepare ground surfaces to exact specifications; clear away debris and tidy up work areas
- Aid in building demolition and salvage operations
- Use hand-operated power tools as instructed; perform basic maintenance on lifting equipment
- Handle hazardous material cleanup following proper procedures
- Manage traffic flow around construction zones
- Carry out additional tasks as assigned by supervisors

Skills & Qualifications

- No formal education required, and with secondary education and above is preferred
 - Previous experience in general construction labor is beneficial but not mandatory. Newcomers to the field are welcome to apply, as we provide comprehensive training for all aspects of the job
 - Ability to work in various weather conditions, physical stamina, and a strong commitment to safety are essential
 - Familiarity with basic hand tools and willingness to learn new skills are valued.
- Term:
Permanent

Salary: \$18.0 / hourly

Working hours: 40.0 Hours/Week

Work location: 291 Water St., Summerside, PE, Canada C1N 1C1
