Job description:

Company & Job Description

LuxeCubes is a company specializing in custom commercial and residential renovation projects. Our incomparable full range of product categories and in-house construction team allows us to accomplish your projects in one go. With options available in interior design, engineering drawing, and building permit issuing. The summer peak season is approaching, and many projects are starting. We urgently need suitable employees to join us. Competitive wages, benefits with full coverage, room for growth, great team and working environment.

Key Responsibilities

1. Help move construction materials around for both commercial and home renovation jobs.
2. Assist in building houses, and putting up walls.
3. Make the ground level and smooth for better building.
4. Fix things that need regular maintenance.

5. Clean up any spills or messes safely.
6. Clear away any junk from construction areas.
7. Help direct traffic near renovation sites.
8. Read and understand building plans to know what needs to be done

Qualifications & Skills

1. Secondary school diploma is required; higher education will be an asset.
2. Capable of working extended hours enduring repetitive tasks and lifting heavy objects.
3. Willingness to work occasional weekend shifts and travel for out-of-town
4. Diligent, patient, detail-oriented, and meticulous
5. Basic awareness of safety on construction sites and prioritize protecting people from injury
6. Can read building plans is an asset.
7. Mandarin speaking is an asset.
