Job description:

Construction labourer and helper

Responsibilities:

- Clear the construction site of debris, obstacles, or hazardous materials and prepare it for building activities
- Transport construction materials such as cement, bricks, and tools to appropriate locations on the site
- Assist in operating basic construction equipment, including forklifts, concrete mixers, and jackhammers under supervision

- Help in setting up scaffolding, ladders, and temporary structures that provide support during construction tasks
- Work closely with skilled tradespeople by handing them tools and materials or helping with minor tasks
- Perform manual labor like digging trenches, leveling earth, or excavating for foundations and drainage systems
- Assist in mixing and pouring concrete for foundations, walls, and other structures
- Follow safety protocols, wear protective gear, and ensure the site is compliant with local health and safety regulations

This is a full-time employment opportunity.

We are looking for an individual with the following qualifications:

- High school Diploma
- 1+ years of work-related experience as a general construction labourer
- On-the-job training provided

Compensation: \$34.15 per hour

Location: Travel to different sites in the GTA will be required. The Head office is located at 155 Rexdale Blvd #502a, Etobicoke, ON M9W 5Z8
