### Full Job Description

#### The Role:

If you are good at Tetris and you like working **physically** in a **dynamic and fast-paced environment** then this job is for you! As **warehouse support for PepsiCo Beverages** you will be preparing orders to be delivered to our clients. You will be creating an accurate pallet consisting of our many familiar products to be delivered to stores across the market! You will then bring to the delivery trucks with a walkie rider. To help you be quick and efficient you will be using a technology called VoicePick that will indicate which products to get and where you

can find them. This role is located in our facility on Annacis Island.

To get a feel for the role and hear from our employees follow the link:
