Accountant

- **Job Function:** Accounting | A/R Analysis | Bookkeeping
- **Territory:** Bhopal Madhya Pradesh
- **Industry:** Manufacturing
- **Location** On-site | Govindpura Industrial Area Bhopal

We're looking for a **Accountant** to join our dynamic team! This is a work from office position.

About us!

Shrao Engineering Works established in the year 1982 is an ISO certified manufacturer supplier and exporter of fabricated products and heat exchangers. With a well laid facility in central India and vast industry experience of over 40 years the company provides solutions to both National and International clients from its diverse portfolio of products in congruence with their demands.

Shrao Engineering Works has been accredited with ISO 9001: 2015 and are certified for its compliance to defined standards. The company works on quality management rather than repetitive checking and correction by a defined quality control mechanism.

The Opportunity!

This is a full-time position that provides a self-motivated accounting professional with an opportunity to be instrumental in the growth of the manufacturing company. In addition to accounting and finance knowledge you will bring people management and documentation experience with you. As a part of a growing organization you will have ample opportunities to upskill and eventually become an integral part of the team. If you're looking to take on new challenging and meaningful opportunities in redefining what is possible look no further and contact us today!

In this role you'll:

- Work directly with the upper management and provide regular communication to the Director.
- Create day to day Advance Accounting Entries Sales Purchase Journal Vouchers Debit Note Credit Note Bank Reconciliation etc.
- Maintaining fixed assets accounting
- Assist with Account reconciliation and correspondence with clients and suppliers for the same.
- Coordinate with the purchase department and assist with billing and payments.
- Assist with day to day inventory entries and receipt notes
- Serve as a communication hub between key stakeholders.
