Job description:

Pennecon is a leading provider of integrated solutions throughout the heavy civil, industrial, services & maintenance, and marine industries. Powered by an energetic team all across Canada, we are united by our passion and determination to deliver results on the most complex jobs and challenging environments.

Pennecon Heavy Civil is growing! We have recently been awarded a general contract with **Manitoba Hydro** to upgrade their Pointe du Bois Hydro Facility. This construction work will run for about 10 months and consist of replacing older generators and turbines in the powerhouse. We are looking for diligent and responsible employees in the following areas:

Role: Carpenter, Apprentice

Location: Pointe du Bois, Manitoba

Your primary accountabilities would include:

- Responsible to participate in a zero harm safety culture in the execution of the work and support the Company's safety, quality and environment programs;

- Read architectural and structural blueprints, drawings and sketches
- Take measurements, calculate the size and amount of material needed and cut, shape and smooth lumber and other material
- Installation of formwork
- Installation of waterstop
- Installation of anchor bolts and other concrete embedments

Qualifications:

- Registered as a carpenter apprentice, or working towards apprenticeship
- Open to coaching and mentorship from other more senior carpenters and tradespeople
- Past experience working in an industrial construction environment
- Familiar with installing formwork would be an asset
- Commitment to a safe work environment

Project Information:

- This position will work on a Monday – Friday schedule, working 10-hour days. Note, over the summer work will include some work on the weekend.
- This work will begin in August / September and will last for about 6 - 7 months until Spring '24
- Apprentice hourly rates can range from 1st year - \$21.57/hour to 4th year - \$34.98/hour
- Note, we will be providing competitive room and board allowances along with travel depending on the location of your residence
