Job description:

Job Description:

We are seeking a skilled and experienced Illustrator / Graphic Designer. The person will be responsible for developing high-quality visual content for multimedia, interactive, digital, and advertising productions. This position requires strong artistic ability, technical proficiency, and the ability to collaborate closely with clients and internal teams.

This is an on-site position. All work must be completed at the physical work location.

Education Requirements:

- College diploma / CEGEP or higher

- The field of study may include:
 - Animation, interactive technology, video graphics, and special effects
 - Digital arts
 - Graphic design
 - Illustration

Key Responsibilities

- Adapt and refine existing illustrations to meet project requirements
- Assist in developing storyboards for electronic productions, including multimedia, interactive, and digital products, as well as television advertising and related productions
- Consult with clients to determine the nature and content of illustrations to meet communication needs
- Develop and produce realistic or representational sketches and final illustrations
- Produce 2-D and 3-D animated drawings or computer-generated illustrations
- Collaborate with clients to establish the overall visual style, graphic elements, and content of communication materials
- Determine the appropriate medium and tools to achieve the desired visual effect and select the most suitable communication vehicle
- Develop graphic elements that align with clients' objectives and branding requirements
- Prepare sketches, layouts, and graphic elements for final production

Computer and Technology Knowledge

- Adobe InDesign
- Adobe Illustrator
- Adobe Photoshop
- Computer-aided design (CAD)

To apply for this job vacancy, please send your resume along with a cover letter and a reference letter from your previous employer to the following email: ohquebec@hotmail.com
